Popular Performance Packages

While all of my performances are custom tailored to fit your event, there are several show designs that have been so successful, they even have their own names! Please read the options below to help you decide which package you would like to select to impress your guests with at your party. *Please note: prices do not include travel fees for events outside of Orlando.*

Attention Grabber: (20 Minutes)

This 5-piece performance includes an energetic and attention grabbing entrance with Isis Wings (or veil if space is limited), an amazing balance act, humorous guest of honor dance, a drum solo to awe you guests with and concludes with a crowd number to get everyone out of their chairs and dancing. Price: \$250

The Show Stopper: (30 Minutes)

By far the most requested show of all, this extravagant performance begins with the Attention Grabber and the extra time is used for an advanced prop number such as Double Veil or Shamadan, a regional dance such as Debkeh, Saidi or Khaleegi, and in addition, there is a 2nd crowd dance number (since one is never enough). Price: \$350 (this show is ideal for weddings and lavish birthday parties).

Double Take: (50 Minutes)

Want to have an Arabian princess greet and take photographs with your guests during cocktail hour? Jennifer will happily sashay around the room and coax guests into taking memorable pictures for 20 minutes. After a 20-minute break, Jennifer will then surprise guests with a 30 minute Show Stopper routine sure to delight your friends and family. Price: \$500

V.I.P. Performance & Lesson: (1 Hour)

This is the perfect way to spruce up a Girls Night, Bachelorette Party or a fun gathering of your closest friends. Imagine the fun when a bellydancer performs a high energy 3-piece routine. As she makes her exit, guests choose a hip scarf in the color of their choice and moments later the dancer re-appears and teaches your party a 40-minute bellydance class. Price: \$375

Fire Teaser: (17-20 Minutes)

Jennifer is an experienced fire dancer & instructor who can add that extra "WOW" factor into her shows when the venue allows. The entrance will be made with either fire fans or fire palms (for small spaces), followed by a lively Mejanee, fan veil act, fiery drum solo piece and a supercharged crowd dance. Price: \$350

Fire Extravaganza (20 & 30 Minute Options)

This is the ultimate experience! Guests will enjoy a spectacular show that begins with a full 3-part fire show (fire palms, fire sword, and fire fans), followed immediately by a 5 or 8 piece World Champion belly dance routine. Price: \$450 (20 minutes) or \$550 (30 minutes).
